Headline: The Treehouse Club - Brentwood New Nursery Coming

Subtitle: The Treehouse Forestry Preschool and Out of School Club to open new nursery and preschool in Thriftwood Scouting Village Brentwood, set in 98 acres of beautiful Essex countryside.

The brand new, purpose built nursery which is set to open in September 2018, will be known as The Treehouse Club Brentwood and will be located within Thriftwood Scouting Activity Centre, off Orchard Avenue, an extensive woodland nature reserve.

The new Thriftwood nursery development is located south east of Brentwood, at Ingrave, just off the A128. It is about a mile from the main town centre. Ideally located to offer high quality childcare provision to families in the Hutton Mount, Ingrave and Warley areas. The setting will be The Treehouse Clubs third full nursery and pre-school following on from their successful Norsey Woods Billericay and Dollymans Farm Wickford locations.

The setting has been thoughtfully designed to meet the needs of local children, offering three spacious education rooms, each specifically tailored to different age groups (babies, 2 year olds and 3 year olds), with an extensive outdoor play area and access to stunning natural resources.

The nursery offers full day-care, five days a week and open 7am to 7pm. The cabin styled setting provides a home from home for children between eight weeks old and school age including popular before & after school programmes, holiday camp, forestry school, holistic curriculum, EYFS with fantastic outdoor activities such as climbing wall, Jacob's ladder, 3D maze, assault courses and much more.

Ashley Wilson, Director at The Treehouse Club, said *"We are delighted to be opening another nursery, now in the Brentwood area. We have been working hard behind the scenes, using our knowledge built up from other successful openings to create an environment, which will develop and stimulate the children. As always at The Treehouse Club, our fundamental aim is to offer the best possible facilities in which children can flourish and we are passionate about holistic outdoor educational learning. Thriftwood is a perfect location to reconnect children with nature in a fun and friendly environment"*
