Re: Are you interested in a new local After School Club? In need of wrap-around childcare for 2019/2020 school year?

Dear Parent/Carer,

The Treehouse 'Forestry Nursery & Out of School Club' is looking to expand and acquire the running of an 'After School Club' held at 'The Village Hall' in East Hanningfield CM3 8XD. The hall has substantial facilities and playing fields; and would be run by our experienced and enthusiastic staff.

Presently, we would like to reach out to engage with parents/carers and schools in the local area to understand the demand and interest for such an 'After School Childcare Service'.

ABOUT 'THE TREEHOUSE CLUB'

The Treehouse Club has been helping children learn through outdoor-play since 2011. We provide exceptional high quality care and education for children; including daycare provision for babies, nursery, preschool and through to our extremely popular forestry based out-of-school and holiday clubs.

Our aim is to provide affordable, high quality out-of-school hours childcare for busy parents and families. We are more than just a childcare service...we believe in creating lasting memories and opportunities for children to learn new skills in the great outdoors.

As an established provider, we currently run four thriving after school clubs in Wickford, Norsey Woods (Billericay), Hannakin's Farm (Billericay) and Thriftwood Scouting Centre (Brentwood) and look after over 150 children nightly across our settings.

AFTER SCHOOL CLUB

All our children are escorted to/from school by The Treehouse Club professional staff by minibus, car or walking-bus. We would be looking to service a number of local schools in the Hanningfield, Woodham, Bicknarde and Rettendon areas.

The new proposed venue at 'The Village Hall' would allow our club to benefit from its own designated areas with dedicated indoor and extensive outdoor spaces; ideal for forestry led activities.
